No literacy, property, or other substantive requirement shall be imposed on the exercise of suffrage";

WHEREAS, to ensure that the electorate will not be divested of their constitutional right to vote, the Omnibus Election Code mandates the Commission on Election to "Fix other reasonable periods for certain pre-election requirements in order that voters shall not be deprived of their right of suffrage and certain groups of rights granted them in this Code";

WHEREAS, there has been a growing concern over national and local elections and suffrage-related matters and issues that should be taken independently to give full attention towards its reform and upliftment;

WHEREAS, aspects to eradicate election fraud and similar controversies that propped up in the recent past national elections is crucial to the country's goal to regain political and economic stability;
