Please be informed that the **Committee on Government Corporations and Public Enterprises,** will hold a hybrid Meeting on **October 05, 2022, Wednesday, 1:30 PM** at the **Ambrosio Padilla Room** and via Cisco Webex Videoconferencing Platform.

As part of its efforts to conduct a performance review of the various government owned and controlled corporations in relation to their mandates, we have invited the Philippine Health Insurance Corporation (PhilHealth) to brief the Committee about its programs, services with special focus on its financial viability and actuarial life. In addition, PhilHealth will also present their proposed legislative agenda (if any) and discuss possible amendments to its Charter/PhilHealth law.

Through this briefing, the Committee hopes to identify possible solutions to improve the financial sustainability of PhilHealth.

For those attending virtually, kindly provide the Committee Secretariat with an email address where the meeting link will be sent.

Your Honors' presence in the meeting will be highly appreciated. Thank you.
