REPUBLIC OF THE PHILIPPINES
First Regular Session

SENATE
OFFICE OF THE SECRETARY

S.B. NO. **257**

INTRODUCED BY SENATOR VILLAR

EXPLANATORY NOTE

The Local Government Code provides that the territorial and political subdivisions of the State shall enjoy genuine and meaningful local autonomy to enable them to attain their fullest development as self-reliant communities and make them more effective partners in the attainment of national goals. Furthermore, it endeavors to provide for a more responsive and accountable local government structure instituted through a system of decentralization whereby local government units shall be given more powers, authority, responsibilities and resources.

This bill proposes to amend Section 470 and 471 of the Local Government Code providing for the appointment, qualifications, powers and duties of the Provincial, City or Municipal Treasurer and the Assistant Treasurer. This measure proposes that the appointment of the Provincial, City and Municipal Treasurer and Assistant Treasurer be vested to the Governor of the Province, or the City or Municipal Mayor concerned. It will allow direct supervision and accountability of the Treasurer to the Governor of the Province, or the City or Municipal Mayor concerned. Furthermore, it is deemed proper that such power of appointment be vested on the Governor of the Province, or the City or Municipal Mayor concerned because treasurers are paid wholly from local funds; yet it is the Secretary of Finance who has the power to discipline, suspend or dismiss the treasurer. In effect, the present status of the law prevents the Governor of the Province, or the City or Municipal Mayor concerned from exercising disciplinary powers over the treasurer: which in itself may be an anomaly.

Immediate passage of this bill is therefore requested.
