

FOURTEENTH CONGRESS OF THE)
REPUBLIC OF THE PHILIPPINES)
Second Regular Session)

SENATE
OFFICE OF THE SECRETARY

SENATE

S. NO. **3266**

RECEIVED BY 

Introduced by Senator Antonio "Sonny" F. Trillanes IV

Explanatory Note

The presence of nuisance candidates is a product of a loose electoral system. As a consequence, before every election, the Commission on Elections (COMELEC) Commissioners will have to weed out from the list, candidates that the law considers as mere nuisance, and in determining who the nuisance candidates are, their main task is to look into the intentions of these candidates and a close assessment to the candidates' chances of victory, among others.

Section (2)(7) under Commission on Elections of Article IX of the Constitution mandates that the Congress provides for effective measures to minimize election spending, including limitation of places where propaganda materials shall be posted, and to prevent and penalize all forms of election frauds, offenses, malpractices, and nuisance candidacies.

It is in this line that this bill seeks to expand the grounds for declaring a person a nuisance candidate provided that, the person has previously run at least three (3) times for the same elective office and that said candidate garnered less than ten (10) percent of the total number of votes cast on the position on his/her third and/or last election. While the Omnibus Election Code obviously dissuades those who have the least chances in winning the elections, such is not deterrence for these candidates to file their respective certificates of candidacy.

In view of the foregoing, the early passage of this bill is earnestly sought.
