Introduced by Senator Ramon Bong Revilla, Jr.

EXPLANATORY NOTE

Valenzuela City is classified as a highly-urbanized and first-class city in the National Capital Region. It houses some 500,000 residents and is a host to a number of industrial sites. Since becoming a city, Valenzuela has developed significantly, especially in terms of economy. Despite being primarily industrial, Valenzuela still hosts agricultural and fishery spots making it a dynamic ecosystem by itself.

This bill seeks to recognize the foundation of a remarkable city that is Valenzuela through declaring September 11 of every year as a special nonworking holiday in the entire city.

Approval of this bill is earnestly sought.

RAMON BONG REVILLA, JR.
