S. No 3407

RECEIVED

A

Introduced by Senator Antonio "Sonny" F. Trillanes IV

EXPLANATORY NOTE

Article II Section 13 of the 1987 Constitution asserts that the State recognizes the vital role of the youth in nation-building and shall promote and protect their physical, moral, spiritual, intellectual, and social well-being. It shall inculcate in the youth patriotism and nationalism, and encourage their involvement in public and civic affairs. In furtherance of this policy, it is incumbent upon the State to watch over the safety and well-being of its youth.

In this light, this measure seeks to mandate the Department of Education (DepEd) to deny entrance into the premises of any school or any building used for school activities to listed sex offenders or persons of which the DepEd has knowledge. Education officials shall make a good effort to identify listed sex offenders residing within the school's boundaries or who have children or wards enrolled in the district. School principals shall notify each listed sex offender identified, that access to the school premises shall be prohibited unless expressly permitted by the superintendent or designee, or the individual is exercising the right to vote in public elections at a polling place located on the school premises. This bill further mandates the Bureau of Jail, Management and Penology to submit to the DepEd Division Superintendent, an official list of sexual offenders who have been released or are being placed under parole or probation.

This measure does not in any way intend to disgrace convicted sexual offenders who have served and who are serving their sentence. This measure recognizes that children are most vulnerable to crimes, potential or otherwise and there can never be a limit to legitimate measures to protect their morals, health and safety.

In view of the foregoing, approval of this measure is earnestly sought.

ANTONIO "SONNY" F. TRILLANES
