EXPLANATORY NOTE

The Constitution, Article III, Section 5 provides that "No law shall be made respecting an establishment of religion, or prohibiting the free exercise thereof, and the free exercise and enjoyment of religious profession and worship, without discrimination or preference, shall forever be allowed."

The Civil Code, Article 32 further provides that any public officer or employee, or any private individual, who directly or indirectly obstructs, defeats, violates or in any manner impedes or impairs the exercise of freedom or religion of another person shall be liable to the latter for damages.

The above mandate, however, does not include any law that would enforce the right to the free exercise of religion by students in public schools. This bill seeks to enforce this right to the free exercise of religion of students in public school by providing for the imposition of a civil liability to anyone caught violating this right.

In view hereof, immediate enactment of this bill is earnestly solicited.
