OF THE PHILIPPINES
FIRST REGULAR SESSION

SENATE RECEIVED BY: 

S.B. NO. 141

Introduced by Senator LUISA "LOI" P. EJERCITO ESTRADA

EXPLANATORY NOTE

Much has been said and argued about people empowerment. It is a fundamental fact, however, that people empowerment can come into a reality only if the people are well-equipped socially and economically to harness much needed resources.

The barangay, being the government unit closest to the people where certain levels of executive, legislative and judicial functions are bestowed, is the proper vehicle to actualize this vision of people empowerment. However, at present, barangays can hardly be expected to assume this vital role because of the inadequacy of funds and resources at their disposal.

It is therefore, the intention of this bill to seek the allocation of Two Hundred Thousand Pesos (P200,000.00) per annum for six consecutive years for each barangay. This amount shall be known as the Rural Livelihood and Economic Development Fund to be used specifically for livelihood projects that shall provide employment and increase income of the people, or it can be used as seed money for cooperatives, as well as to finance infrastructure projects.

Approval of this bill is therefore earnestly requested.
