

FOURTEENTH CONGRESS OF THE REPUBLIC)
OF THE PHILIPPINES)
Third Regular Session)

SENATE
OFFICE OF THE SECRETARY

9 NOV 18 P1 36

SENATE
S. B. No. 3539

RECEIVED BY: 

Introduced by Senator Miriam Defensor Santiago

EXPLANATORY NOTE

Government-issued vehicles are being used for non-government-related activities. The Office of the Ombudsman recently reported more than 100 cases of unofficial usage of government vehicles last year.

These red plated vehicles must be kept in a designated / provided garage after office hours, during weekends and even on holidays. The use of government vehicles on Sundays, legal holidays, or out of the regular office hours and even outside the route of the officials and employees which are authorized to use them, or by a person other than the one authorized should be outlawed.

In government offices, officials as well as employees hardly see the distinction between what is personal and what is official. Officials issued government vehicles use them for personal purposes, such as going to the mall, picking up children in school, going to mass, etc.

The proposed legislation seeks to regulate the use of Government owned and issued vehicles. It prohibits the use of Government vehicles for personal use. This legislation also seeks to intensify energy-saving and anti-graft and corruption campaign of the Government.
