SENATE
P.S.R. No. 772

REP. :
44: 

Introduced by HON. RAMON BONG REVILLA, JR.

**A RESOLUTION
COMMENDING THE PROVINCE OF CAVITE AS THE PHILIPPINES'S FIRST ISO-
CERTIFIED PROVINCIAL GOVERNMENT**

Whereas, on 3 May 2012, Cavite was declared as the Philippines's first ISO-certified provincial government;

Whereas, ISO-9001:2008 is a set of standards and requirements for the development of a quality management system applied by private corporations and organizations to ensure that the needs and expectations of customers or clients are adequately and consistently met;

Whereas, the standards also enable organizations to develop mechanisms for continual improvement of performance, services and produce;

Whereas, the provincial government started ISO campaign in December last year and technical preparations formally started in February 1 which signified the government's 120-day countdown;

Whereas, the Anglo Japanese American (AJA) Registrars, the commissioned certifying body, granted the ISO-Certificate of Attestation to the provincial government after the group found no single major non-conformity during the second stage of the required external audit;

Whereas, the conferment of the certification contributes to the province's aim to be *first-class and world-class* in terms of performance, production and accomplishments;

Whereas, the certification is in the reform agenda and business program for the Province of Cavite of incumbent Governor Juanito Victor "Jonvic" Remulla, Jr.;

Whereas, being the country's first ISO-certified provincial government gives pride and honor to the province and to its people;

Be it resolved, as it is hereby resolved, to commend the Province of Cavite as the Philippines's first ISO-certified provincial government.

Adopted,

RAMON BONG REVILLA, JR.
