Senate

SENATE

S. NO. 1119

RECEIVED BY: *ju*

Introduced by Senator Antonio "Sonny" F. Trillanes IV

EXPLANATORY NOTE

Through the years, the function of Congress has evolved from just plenary work alone, to include the conduct of committee hearings and legislative inquiries on various socio-economic and political issues. Legislative research, bill drafting and administrative management are also additional roles that must be performed efficiently in order to complement the lawmaking functions of our legislators.

In this manner, there is a need to ensure that the people employed in Congress are able to provide administrative and technical support to our legislators. There now arises a need to set qualification standards for legislative personnel that must conform not only to Civil Service Rules but to parliamentary rules, precedents, practices, and traditions, as well.

This proposed measure seeks to establish a Legislative Career Service that would allow the admission and training of competent and qualified civil servants in Congress. It also seeks to create a Legislative Career Service Board and a Legislative Academy that would ensure the recruitment and training of a pool of properly selected and development-oriented legislative personnel.

In view of the foregoing, immediate approval of this measure is earnestly sought.

ANTONIO "SONNY" F. TRILLANES IV
Senator
