First Regular Session

SENATE

Senate Bill No. 1552

REPORTED BY:

INTRODUCED BY SEN. JINGGOY EJERCITO ESTRADA

**EXPLANATORY NOTE**

It can be said that our penal institutions are a reflection of how our society pays respect to its citizens. It is the mandate of the government to provide a humane treatment, atmosphere, and environment to the inmates. However, the *present condition of our jail facilities* is so deplorable that even before their conviction, the inmates have already experienced a punishment they do not deserve.

This proposed measure seeks to establish an integrated jail facility in Metro Manila and in other highly urbanized centers in the country. It also proposes that the Supreme Court establish courtrooms in the said jail facility to serve as venues for judges to hear cases of inmates detained upon legal processes for the commission of any offense punishable by *reclusion perpetua* or life imprisonment.

This bill was prepared and submitted by the Committees on Public Order and Illegal Drugs, and Justice and Human Rights during the Thirteenth Congress. It was considered in the plenary session but was never enacted into law. Trusting in the noble intent of this measure, this representation is re-filing the same.

Considering the foregoing, the early passage of this proposed measure is earnestly solicited.
