S. No. 650

INTRODUCED BY HON. MANUEL B. VILLAR JR.

EXPLANATORY NOTE

The Constitution, Article 2 provides:

Section 15. The State shall protect and promote the right to health of the people and instill health consciousness among them.

Meat and meat food products are an important source of the nation's total supply of food. It is essential in the public interest that the health and welfare of consumers be protected by assuring that imported meat and imported meat food products offered for retail sale bear a label that identifies its country of origin.

This bill requires the labeling of imported meat and meat food products, in order to protect the public against deceptive, unfair and unconscionable sales of imported meat and meat food products in the country.
