**EXPLANATORY NOTE**

Republic Act No. 8049, also known as the "Hazing Regulation Act," does not require a person, who knows of an ongoing hazing activity, to notify the proper authorities. The failure to report the matter allows to go unchecked acts of violence, which could lead to injury or even death.

This bill seeks to amend the Hazing Regulation Act to penalize the failure to report hazing, in order to ensure the timely notification and intervention of the proper authorities.
