RECEIVED BY: 

S. No. 808

INTRODUCED BY HON. MANUEL B. VILLAR JR.

EXPLANATORY NOTE

This Bill seeks to amend paragraph b, Section 10 of Presidential Decree No. 1146, entitled "Revised Government Service Insurance Act of 1977," as amended by Republic Act No. 8291. The paragraph reads as follows:

"(b) All service credited for retirement, resignation or separation for which corresponding benefits have been awarded under this Act or other laws shall be excluded in the computation of service in case of reinstatement in the service of an employer and subsequent retirement or separation which is compensable under this Act." (underscoring supplied)

The above-cited paragraph is prejudicial to the interests of civil service employees who, after many years of faithful and dedicated service are retire, resign or separated from the service but who are still qualified for re-employment. This also applies to government employees who may have been separated involuntarily due to abolition of office or in government reorganization. Under the above-cited provision, in these cases of reemployment in the government, service rendered to the government prior to the retirement, resignation or separation, abolition or reorganization are excluded in the computation of service for purposes of their subsequent retirement or separation benefits.

Sec. 10 of PD 1146 prior to its amendment provided that all services rendered in the government by employees who were separated from office not for cause but due to government reorganization and subsequently reinstated in another office, shall be INCLUDED in the computation of their retirement benefits.

Further, under Section 12 (d) of the same Act, it is provided that all retirement benefits previously paid by the Government Service Insurance System, and not by a government office or agency which has been abolished, to an employee who was separated from office not for cause but due to government reorganization and subsequently reinstated in another office shall be accumulated and deducted, without interest, from the retirement benefits to be received by the employed upon his retirement.

Sec. 10, PD 1146, as amended by RA 8291, is an unfair law as it amounts to an unjust taking of property without compensation. It also serves as a disincentive to Civil Service employees who are qualified for reemployment or reinstatement in the government, as they will have to start all over again. Although it is true that corresponding benefits are awarded for their previous employment, these are just token amounts to cushion the impact of their unemployment. Still, the basic injustice subsists.

The proposed amendatory measure is, thus, requested.

MANUEL B. VILLAR, JR.
