Introduced by SENATOR LOREN LEGARDA

RESOLUTION

AFFIRMING THE DECLARATION BY THE NATIONAL HISTORICAL COMMISSION OF THE PHILIPPINES OF CERTAIN PORTIONS OF THE STA. ANA DISTRICT IN THE CITY OF MANILA AS AN IMPORTANT HERITAGE ZONE

WHEREAS, Article XIV, Section 15 of the 1987 Constitution provides that the State shall conserve, promote, and popularize the nation's historical and cultural heritage and resources as well as artistic creations;

WHEREAS, Republic Act No. 10066, also known as the National Cultural Heritage Act of 2009, requires the National Historical Commission of the Philippines and the National Museum of the Philippines, together with the National Commission for Culture and the Arts, Housing and Land Use Regulatory Board and other concerned agencies, to designate heritage zones to protect the historical and cultural integrity of a geographic area;

WHEREAS, Section 13 of the law states that local government units who will be exercising main responsibility in the maintenance of these heritage zones shall strive for the adaptive reuse of cultural property and preservation of streets, parks, and monuments;

WHEREAS, citing its "unique streetscapes and riverscapes, as well as historic sites and structures including the church complex, open spaces like Plaza Hugo, heritage houses, civic buildings and shops", the NHCP issued Resolution No. 1 on 12 May 2014 which declares a portion of Sta. Ana in Manila as a heritage zone;

WHEREAS, the said resolution also provides that a buffer zone be maintained extending 10 meters from the center of all roads forming the perimeter of the core area, on the condition that all new developments surrounding the church outside the core and buffer zones within the 200-meter radius shall conform to the prescribed building character, height, and setback with reference to the Sta. Ana Church;

WHEREAS, even before the issuance by the NHCP of its Board Resolution, the City Government of Manila had issued City Ordinance No. 8244 on 22 September 2011 which classifies Sta. Ana district as a Histo-Cultural Heritage Overlay Zone;

WHEREAS, despite the existence of these resolutions, there is a continuing threat to the preservation of the historical integrity of Sta. Ana due to uncontrolled urbanization, imperiling both its buffer and core zones;

WHEREAS, a 31-storey condominium is being built within the Histo-Cultural Heritage Overlay Zone of the district, despite the reported lack of issuance of an Archaeological Impact Assessment for the infrastructure project;

WHEREAS, there is a need to strengthen existing rules and guidelines and improve cooperation among various agencies to ensure the preservation of these heritage zones;

NOW, THEREFORE BE IT RESOLVED, AS IT IS HEREBY RESOLVED, to affirm the declaration by the National Historical Commission of the Philippines of certain portions of the Sta. Ana district in the City of Manila as an important heritage zone;

Adopted,

LOREN LEGARDA
Senator
