AN ACT  
PROHIBITING BACKRIDERS ON TWO-WHEELED  
MOTORCYCLES/SCOOTERS AND EXCEPTIONS THERETO

EXPLANATORY NOTE

The use of motorcycles in the commission of crime in our cities and highways is common knowledge. Motorcycle back-riders, referred to as "riding-in-tandem" criminals, have ample opportunity to commit heinous crimes with impunity because of the facility of getting away from the scene of the crime by use of a motorcycle which can avoid and wind through even heavy traffic.

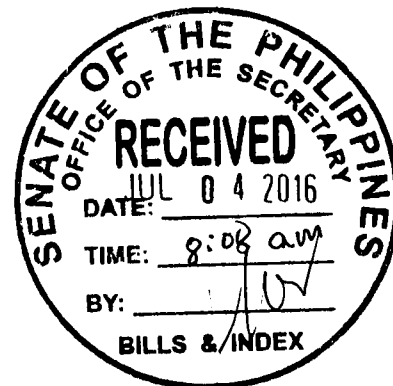

A municipality in Metro Manila has likewise experimented on this and the proposal needs to be effective nationwide if it has to have any lasting benefit.

This may be frowned upon by some members of society, but we have to think of the higher good of protecting the life and limb of our citizens.

Thus, this proposal is urgently recommended for adoption.
