RECORDED BY: JS

SENATE
S.B. No. 1008

Introduced by SEN. WIN GATCHALIAN

AN ACT
PROVIDING FOR STIFFER PENALTIES FOR WILFUL OR INDISCRIMINATE
DISCHARGE OF FIREARMS, AMENDING FOR THE PURPOSE ACT NO. 3815,
AS AMENDED, OTHERWISE KNOWN AS THE REVISED PENAL CODE

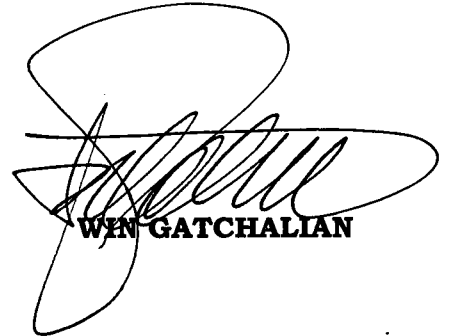

EXPLANATORY NOTE

Indiscriminate discharge of firearms has become a significant problem in many communities now throughout the Philippines. It most usually occurs during the celebration of holidays or, any revelry and sometimes in the context of drinking. Public awareness campaigns have not helped curb the senseless display of these people who randomly fire their weapons even if they primarily believe that their acts are harmless and these shooting sprees do not intentionally injure or kill people.

No one feels safe anymore, even in the comfort of their own homes since stray bullets can graze inside houses, and maim or kill innocent bystanders. The harrowing tragedy of it all are the senseless deaths of children, as in the recent case of Lorena Santos Cruz, the nine-year-old girl reported to have died from a stray bullet near Ipo Dam in Norzagaray, Bulacan. Residents live in perpetual fear. Anecdotal evidence from news reports state that indiscriminate firing victims from Dec. 16, 2015 - January 4, 2016 total to 7 and stray bullet incidents for the period Dec 16, 2015 - January 4, 2016 has befallen 54 victims.

It is time that we punish these perpetrators with an iron hand and revise the antiquated penalty espoused in the Revised Penal Code. This bill seeks to remove the discharge of firearms from the enumeration under Alarms and Scandal, transposing it to the more serious offense of Discharge of Firearms under Article 254 and providing stiffer penalties upon offenders who discharge their firearms indiscriminately in any place.

Immediate passage of the bill is earnestly sought.
