S. No. 1290

Introduced by Senator Biazon

EXPLANATORY NOTE

The Constitution, Executive Order No. 292 or the Administrative Code of 1987 and other laws provide for the general qualifications and inhibitions of the Members of the Cabinet. The purpose of such requirements is to ensure that the appointees possess the necessary skills, expertise and integrity essential to the job.

Section 45 of Chapter 10, Sub-Title II, Title VIII, Book IV of Executive Order No. 292, otherwise known as the Administrative Code of 1987, provides the general qualifications required of all department secretaries in addition to those prescribed in their respective charters, if there is any. However, in case of the Secretary of the Department of National Defense, there is a need to further emphasize the constitutional mandate regarding civilian supremacy over the military.

By prohibiting a former military officer from being appointed as Secretary of National Defense (SND) within three (3) years after relief from active duty as a commissioned officer of a regular component of the Armed Forces of the Philippines (AFP), the position of SND will be shielded from controversies arising from appointments and assignments within the AFP. By having no prior personal and professional relationships with the officers, the SND would be more objective and impartial in policy determination and recommendations. On the part of military officers, the prohibition shall also afford them sufficient time to adapt to civilian life.

In view of the foregoing, passage of this bill is earnestly sought.

RODOLFO G. BIAZON
