AMENDING REPUBLIC ACT NO. 7743, OTHERWISE KNOWN AS
"AN ACT PROVIDING FOR THE ESTABLISHMENT OF CONGRESSIONAL,
CITY, AND MUNICIPAL LIBRARIES AND BARANGAY READING CENTER
THROUGHOUT THE PHILIPPINES," AND FOR OTHER PURPOSES

EXPLANATORY NOTE

One of the trends that go hand in hand with the phenomenon of globalization is the promotion of the use of information technology in various fields such as business, media, communication and education. With information technology, learning is no longer restricted within the four walls of the classroom, nor is it limited to the use of books and magazines.

Republic Act No. 7743 was enacted specifically to put up libraries and/or reading centers in every city, municipality and barangay in order to boost the literacy rate of our citizenry. A number of years have passed already but the intent of the law has yet to be fully implemented.

However, there is a need to upgrade our learning system such that every learning and reading center will employ the latest computer and electronic library technology in order to best serve our fellowmen.

In view of the foregoing considerations early passage of this bill is earnestly sought.
