AN ACT
STRENGTHENING THE PHILIPPINE SPORTS COMMISSION, AMENDING FOR
THE PURPOSE REPUBLIC ACT NO. 6847, OTHERWISE KNOWN AS THE
PHILIPPINE SPORTS COMMISSION ACT

EXPLANATORY NOTE

The only constant thing in this world is change. As the country continues to grow into a competitive one as it can be, there is and will always have the need to change. Change in the needs, change in the priorities.

For the past twenty five (25) years, The Philippine Sports Commission by virtue of Republic Act 6847 or the Philippine Sports Commission Act have well served its purpose. Through this Commission, there established alert citizenry through sports. The country has grown to recognize sports as an integral part of ones physical as well as mental fitness. But as we continue to grow, it is indispensable that our needs continue to change. And for the country to be served better through sport, a need of the Sports Commission Act to be amended is foreseen.

The amendment will strengthen the role and Philippine Sports Commission as a whole in the lives of the Filipino citizenry. Through this amendment, not just the elite athletes will be given priority but as well as amateur athletes with the help of the grassroots program which is an integral part in the Act's amendment. This will ensure that every potential athlete in every corner of the Philippines will be given an ample opportunity to showcase their talent and even represent the county.

This amended Philippine Sports Commission Act will ensure that sports development in the country will be properly attended to. By sports development does not just mean those sports events handled by our National Sports Associations. Recreation, physical fitness and small activities that even those that are not sports minded will enjoy. Further, this amendment will

make sure that every need of our athletes are well maintained, from coaches to billeting to medical needs. Because it is believed that only when we give the best service that these athletes can have that they can perform their best in representing our country.

Coaches training does not go with the national coaches only but also with those coaches in the provinces that they will be able to guide our amateur athletes properly in becoming elite ones. There are loads of potential athletes in the Philippines, it's just that they are not given opportunities to make known their abilities because they live far from the metropolitan areas. With this amendment, those mentioned and a lot more will be eyed on. For with a healthy citizenry is equivalent to a healthy progress in the community. Thus, immediate passage of this bill is earnestly requested
