**AN ACT
TO ENHANCE THE SHARE OF LOCAL GOVERNMENT UNITS IN INTERNAL
REVENUE TAXES**

EXPLANATORY NOTE

Since the passage of the Republic Act 7160, otherwise known as the Local Government Code, LGUs have complained that they do not receive their just share of national internal revenue tax collection or the Internal Revenue Allotment (IRA).

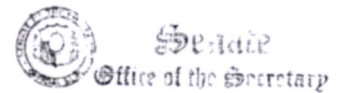

A key complaint lies in the non-inclusion of the tax revenue generated from the imposition of the value-added tax (VAT) on the goods imported into the country. The national government argues that Section 284 only provides that the LGUs receive their share from the collection of national internal revenue taxes not taxes imposed on import goods or import taxes.

However, the imported goods are already considered within the border after the import taxes have been levied making any other taxes levied in addition as part of national internal revenue tax collection. It is therefore necessary to clarify this in legislation that the collections from the imposition of the VAT on imported goods are part of national internal revenue and consequently, part of the IRA.

In view of the foregoing, approval of this bill is earnestly sought.
