S. No. 142

AN ACT
PROVIDING GUIDELINES FOR THE ESTABLISHMENT AND OPERATION OF
LOCAL COLLEGES AND UNIVERSITIES, AND FOR OTHER PURPOSES

EXPLANATORY NOTE

Section 1, Article XIV of the Philippine Constitution provides for the right of all citizens to quality education at all levels and that appropriate steps should be taken by the government to make such education accessible to all.

Giving due importance to this constitutional mandate, a number of our local government units have taken the initiative to make higher education accessible to their constituents by establishing, through ordinances of their respective *sanggunians*, local colleges and universities (LCUs) within their territorial jurisdiction under the provisions of the Local Government Code of 1991 or Republic Act No. 7160. While the reasons behind the establishment of these LCUs on the part of the local government units are commendable, it has been observed that the absence of definite guidelines on the establishment of these LCUs (e.g. composition of the governing boards of these LCUs, the qualifications of the administering authority) has taken a toll on the delivery of quality education to the constituents it serve.

The attached bill recognizes the need to rationalize the creation of LCUs to bring about an upgrade in the delivery of quality and accessible higher education of these institutions of higher learning.

It is therefore recommended that the foregoing bill be approved.
