EXPLANATORY NOTE

Election offenses have long been a reality in Philippine politics. In fact, our people have witnessed massive incidents of election offenses in the past which has eroded our people's confidence on the sanctity of our election process. This bill seeks to give more teeth to our existing law by increasing the penalties provided for under Section 46 of Republic Act 8189. This should help deter deceitful individuals from committing election fraud.

In order to address the upsurge of election related offenses as well as regain our people's faith in the election process, approval of this bill is strongly recommended.
