**AN ACT
DECLARING THE MONTH OF OCTOBER OF EVERY YEAR AS THE "NATIONAL COOPERATIVE MONTH" IN THE ENTIRE COUNTRY**

EXPLANATORY NOTE

As defined under Republic Act No. 9520 or the Philippine Cooperative Code of 2008, a cooperative is an autonomous and duly registered association of persons, with a common bond of interest, who have voluntarily joined together to achieve their social, economic, and cultural needs and aspirations by making equitable contributions to the capital required, patronizing their products and services and accepting a fair share of the risks and benefits of the undertaking in accordance with universally accepted cooperative principles.

On the cooperative movement's 105th anniversary in the Philippines, countless cooperatives across the country remain doing work on the ground, effecting change in the day-to-day lives of the Filipino and making them the government's invaluable partner in nation-building.

From generating employment, rendering services and producing goods, our cooperatives continue to play a pivotal role in our economy's growth as they keep the spirit of *bayanihan* alive by *helping Filipinos help themselves*. Cooperativism allows communities to grow in a specialized, self-sustaining manner, which in turn creates healthier economies for a region, and then, eventually, the entire nation.

On 29 October 2003, President Gloria Macapagal-Arroyo issued Proclamation No. 493, Series of 2003 declaring October 2004 and every year thereafter as Cooperative Month. This bill seeks to institutionalize the same by declaring the month of October of every year in the entire country as the "National Cooperative Month" to celebrate the cooperative movement's significant contribution to our nation's economy and to acknowledge the sector as instruments of social justice and economic development.

In view of the foregoing, approval of this bill is earnestly sought.
