NATIONAL HIGH SCHOOL, AND APPROPRIATING FUNDS THEREFOR**

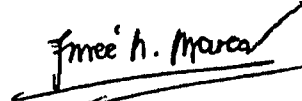

EXPLANATORY NOTE

Article II, Section 17 of the 1987 Constitution provides that the State shall give priority to education. The Constitution further declares that the State shall protect and promote the right of all citizens to quality education at all levels and shall take appropriate steps to make such education accessible to all.

Residents of Barangay Talipapa, Quezon City have been requesting for the establishment a high school in their barangay. Barangay Talipapa has an elementary school known as the Placido de Mundo Elementary school. However the barangay is one of the barangays in the 6th District of Quezon City that has no public high school. Thus, graduates of Placido de Mundo Elementary School have to continue their education in a high school located different barangays.

To provide the residents of Barangay Talipapa with accessible secondary education, this bill seeks to establish a new national high school to be known as the Talipapa National High School.

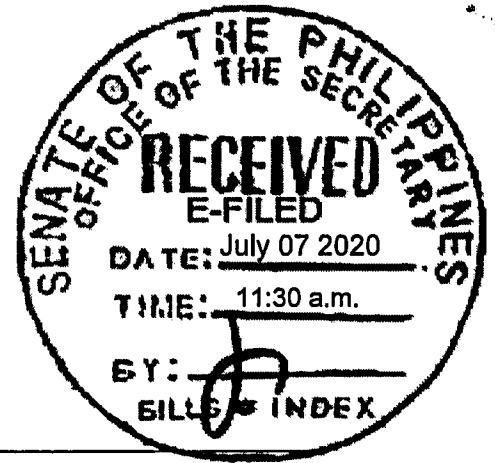

In view of the foregoing, this representation earnestly seeks your support for the approval of this bill.
