SENATE

S.B. No. **1692**

Introduced by **SENATOR IMEE R. MARCOS**

**AN ACT ESTABLISHING A PHILIPPINE SCIENCE HIGH SCHOOL CAMPUS IN  
THE MUNICIPALITY OF IGUIG, PROVINCE OF CAGAYAN AND  
APPROPRIATING FUNDS THEREFOR**

EXPLANATORY NOTE

Education is a human right, this is enshrined in Article XIV, Section 1 of the 1987 Constitution, which states that the state shall protect and promote the right of all citizens to quality education at all levels and shall take appropriate steps to make such education accessible to all. Furthermore, Article II, Section 17 states that the State shall give priority to education.

Pursuant to the aforementioned constitutional mandate, this bill proposes to establish a Philippine Science high school in the municipality of Iguig, Province of Cagayan. The establishment of which would ensure that education is made accessible to all.

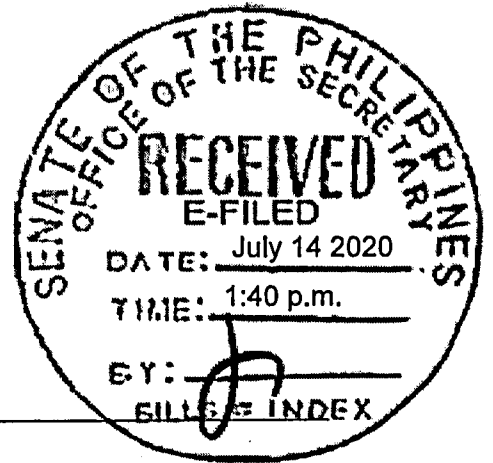

The Cagayan Valley Region currently has one Philippine Science High School campus located at Bayombong, Nueva Viscaya, also known as the Philippine Science High School (PSHS) Cagayan Valley. During the recent years, the PSHS Cagayan Valley has seen an increasing amount of enrollees. However the school's limited facilities and human resources makes it difficult to cater to all the deserving enrollees without compromising the quality of education.

Thus, it is imperative that a Philippine Science High School be established in the municipality of Iguig, Province of Cagayan to maintain, and support a complete, adequate, and integrated system of education that is relevant to the needs of the people and society. This would ensure that the youth of Cagayan and neighboring provinces are provided with accessible and quality education.

In view of the foregoing, this representation earnestly seeks your support for the approval of this bill.
