EXPLANATORY NOTE

Education is a human right; this is enshrined in Article XIV, Section 1 of the 1987 Constitution, which states that the state shall protect and promote the right of all citizens to quality education at all levels and shall take appropriate steps to make such education accessible to all. Furthermore, Article II, Section 17 states that the State shall give priority to education.

Pursuant to the aforementioned constitutional mandate, this bill proposes to separate the Gadu National High School – Nangalisan Extension in Barangay Nangalisan, Municipality of Solana, Province of Cagayan from the Gadu National High School and convert it into an independent national high school. The conversion of which would ensure that education is made accessible to all.

Currently, Gadu National High School – Nangalisan Extension has 955 students enrolled, and each year the number of enrollees increases. With limited educational facilities and human resources, the school is not able to cater to more students without compromising the quality of education.

Thus, it is imperative that the Gadu National High School – Nangalisan Extension be separated and converted into an independent national high school. This way, the school may be able to receive direct funds from the national government to address the growing needs of a national high school and ensure that the youth of Cagayan is provided with accessible and quality education.

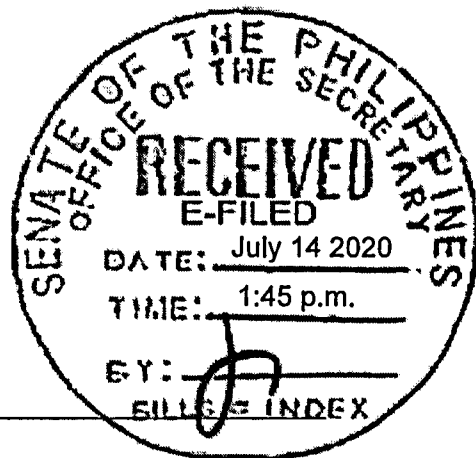

In view of the foregoing, this representation earnestly seeks your support for the approval of this bill.
