EXPLANATORY NOTE

Education is a human right, this is enshrined in Article XIV, Section 1 of the 1987 Constitution, which states that the state shall protect and promote the right of all citizens to quality education at all levels and shall take appropriate steps to make such education accessible to all. Furthermore, Article II, Section 17 states that the State shall give priority to education.

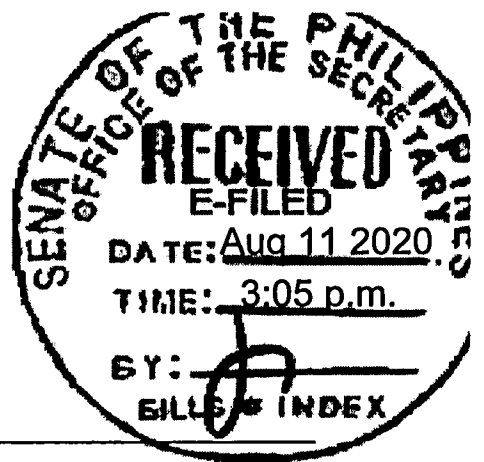

Pursuant to the aforementioned constitutional mandate, this bill proposes to establish a national high school in Barangay Calalate, City of Malolos, Province of Bulacan to be known as Canalate National High School.

The establishment of a national high school in Barangay Canalate is necessary to provide accessible quality secondary education to its residents as well as its neighboring communities. This way, students no longer need to travel far for their education and parents need not worry about travel fares and their children's safety.

In view of the foregoing, this representation earnestly seeks your support for the approval of this bill.
