EXPLANATORY NOTE

This bill seeks to convert the Sindalan-Anao Provincial Road, connecting the town of Mexico and the City of San Fernando in the Province of Pampanga, into a National Road under the supervision of the Department of Public Works and Highways.

This conversion will be advantageous to the province not only because it will be included in the budget of the National Government which implies that the National Government may undertake the necessary repair, rehabilitation and upgrading of infrastructure, but also because it will connect the different barangays in the province which results to economic growth and development in the locality.

In view of the foregoing, early passage of this bill is earnestly requested.
