**AN ACT  
ESTABLISHING A REGULAR DISTRICT OFFICE OF THE LAND  
TRANSPORTATION FRANCHISING AND REGULATORY BOARD (LTFRB) IN  
THE CITY OF BACOR, PROVINCE OF CAVITE AND APPROPRIATING FUNDS  
THEREFOR**

**EXPLANATORY NOTE**

The bill seeks to establish an extension or satellite office of the Land Transportation Franchising and Regulatory Board (LTFRB) in the City of Bacoor, Province of Cavite. It aims to meet the needs of the motoring public in relation to all franchising and other related transactions being provided by the said office.

At present, Bacooreños and the people of the CALABARZON need to go to the LTFRB main located at East Avenue, Quezon City to attend to their franchising and other related needs.

The City of Bacoor, located just at the south west of Metro Manila thus being dubbed as *Cavite's gateway to Metro Manila*, is accessible to the people of the Southern Luzon and southern part of Manila. Further, Bacoor has jurisdiction over the south end of the Manila-Cavite Expressway. Thus, the proposed LTFRB extension or satellite office will be strategically located at the City of Bacoor.

The projected 2019 census of population of the City of Bacoor is 673,780 people, thus making it one of the most populous cities in the Philippines. The dramatic population growth of Bacoor is brought about by the influx of people working in Metro Manila who chose to establish their residence in Bacoor. As Bacoor continues to exhibit

economic and industrial growth, more and more people are attracted to find better opportunities in this booming city. As a first-class City, it has an income approximate to that of several Metro Manila cities.

Immediate approval of this bill is earnestly requested.
