SENATE

S.B. No. 1957

INTRODUCED BY: SENATOR EMMANUEL D. PACQUIAO

AN ACT
ESTABLISHING THE SPECIAL ECONOMIC ZONE AND FREEPORT IN THE
PROVINCE OF SARANGANI, CREATING FOR THIS PURPOSE THE
SARANGANI SPECIAL ECONOMIC ZONE AND FREEPORT AUTHORITY, AND
APPROPRIATING FUNDS THEREFOR

EXPLANATORY NOTE

Article II, Section 20 of the 1987 Constitution provides that, "The State recognizes the indispensable role of the private sector, encourages private enterprise, and provides incentives to needed investments."

In accordance with the foregoing State policy and with the mission to promote the countryside as alternative areas for investments, Republic Act No. 7916, otherwise known as "The Special Economic Zone Act of 1995" was created.

The Special Economic Zones (SEZs) have significantly generated employment to over two (2) million Filipinos and investments worth billions of pesos.

In this regard, this bill seeks to establish the establishment of the Special Economic Zone and Freeport in the province of Sarangani.

Lying at the southernmost tip of Mindanao Island, Sarangani is a province located in the South Cotabato-Cotabato-Sultan Kudarat-Sarangani-General Santos (SOCCSKSARGEN) region. It comprises the seven (7) municipalities of Alabel, Glan, Kiamba, Maasim, Maitum, Malapatan, and Malungon and has a total of 141 barangays with a population of over 544,261 as of 2015 Census of Population.

Sarangani's favorable investment climate is evidenced by a number of agro-industrial investments manifested by the presence of high value crop production, industrial crops and tree plantations of mango, banana, pineapple, and asparagus. The province's aqua-marine sector is likewise flourishing with its abundant commercial fishponds, high value fin fishes production and processing, and deep sea fishing, accompanied by vibrant support services. Livestock

production and processing, manufacturing and processing trade, support and allied services, as well as tourism development are also thriving in the province. In addition these economic activities have shown sufficient potential for further strengthening of exportation options.

According to the Bureau of Local Government Finance, the province's annual regular revenue for the fiscal year of 2016 was at P945,631,028.72.

The municipality of Alabel, in particular, is a home of the corporation producing the world-renowned Sarangani Bay Prime Bangus (milkfish). Its long stretch of coastline allows the municipality's aquaculture venture to prosper while its vast lands make it ideal for the expansion of agro-industrial opportunities, eco-tourism as well as upscale and mass housing.

In this regard, this bill seeks to establish the Sarangani Special Economic and Freeport Zone in the province of Sarangani, particularly in the municipalities of Alabel and Glan, to further boost a sound and balanced economic, industrial, and social development not only in the province or the whole region of SOCCSKSARGEN but also in the country.

Not only will this measure increase foreign investments and encourage economic growth in the area, the establishment of the ECOZONE therein will guarantee the decrease, if not eradicate, the underemployment and unemployment rate in the province, thereby uplifting the living condition of the residents.

In view of the foregoing, approval of this bill is earnestly sought.
