S.B. No. 2448

Introduced by **SENATOR IMEE R. MARCOS**

AN ACT ESTABLISHING A HOSPITAL IN THE PROVINCE OF IFUGAO TO BE KNOWN AS THE EASTERN CORDILLERA REGIONAL HOSPITAL AND APPROPRIATING FUNDS THEREOF

EXPLANATORY NOTE

Section 15 of Article II of the 1987 Philippine Constitution provides that "*The State shall protect and promote the right to health of the people and instill health consciousness among them.*"

On 2 June 2020, I filed Senate Bill No. 1569, entitled: "An Act Establishing a Hundred-Bed Extension of the Luis Hora Memorial Regional Hospital in the Province of Ifugao, to be Known as the Luis Hora Memorial Regional Hospital – Ifugao Extension Hospital, And Appropriating Funds Therefor" which was referred to the Committee on Health and Demography. However, on 11 September 2020, Health Secretary Francisco Francis T. Duque III stated that instead of establishing an extension of the Luis Hora Memorial Regional Hospital (LHMRH) in Ifugao, a separate hospital with mandates to have its own Personnel Services (PS), Maintenance and Other Operating Expenses (MOOE), and Capital Outlays (CO) to avoid stretching the resources of LHMRH, shall be established within the province.

Hence, this bill seeks to establish a hospital in the Province of Ifugao to be Known as the Eastern Cordillera Regional Hospital. This will meet the healthcare needs of the people of Ifugao and those living at Mt. Province's eastern border, as well as those of the provinces of Kalinga and Apayao.

In view of the foregoing, the expeditious passage of this bill is earnestly sought.

IMEE R. MARCOS
