Senate Bill No. 601

Introduced by Senator Juan Miguel F. Zubiri

**AN ACT
REORGANIZING THE NATIONAL COUNCIL ON DISABILITY AFFAIRS INTO
THE NATIONAL COMMISSION ON DISABILITY AFFAIRS, DEFINING ITS
POWERS AND FUNCTIONS, APPROPRIATING FUNDS THEREFOR, AND FOR
OTHER PURPOSES**

EXPLANATORY NOTE

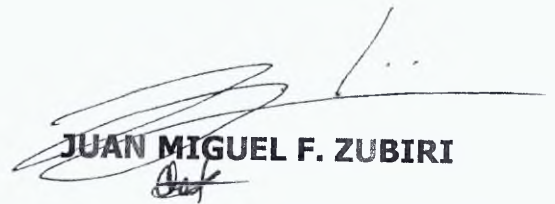

Created in 1981, the National Council on Disability Affairs (NCDA) is the lead government agency tasked with program development for persons with disabilities (PWDs), and the delivery of services to the sector. As defined under the Republic Act No. 7277, or the Magna Carta for Disabled Persons, PWDs are "those suffering from restriction of different abilities, as a result of a mental, physical or sensory impairment, to perform an activity in the manner or within the range considered normal for a human being."

Based on the 2010 Census of Population and Housing, 1.443 million Filipinos or 1.57% of the household population of 92.1 million have a disability. It goes on to show that for every five PWDs, one or 18.9% was aged 0 to 14 years, three or 59% were aged 15 to 64 years, and one or 22.1% was aged 65 years and over.

This bill seeks to reorganize the National Council on Disability Affairs into a National Commission on Disability Affairs and institutionalize the agency's mandate of addressing the needs and concerns of our PWDs. Under the bill, representatives from other national government agencies such as the Department of Health, Department of Social Welfare and Development, Department of Education, Technical Education and Skills Development Authority and Commission on Higher Education shall sit as members of the Commission, together with representatives from the private sector. The Commission shall also have Regional Director for every region who shall oversee and supervise

activities of the Persons with Disability Affairs Office established by the LGUs. This is envisioned to better equip the Commission in data collection, needs identification and policy formulation for the benefit of the PWDs from all over the country. With the proper support and assistance, we believe that they can be integrated and empowered to be productive citizens of this nation.

In view of the foregoing, the approval of this bill is earnestly sought.
