A RESOLUTION

DIRECTING THE SENATE COMMITTEE ON ACCOUNTABILITY OF PUBLIC OFFICERS AND INVESTIGATIONS (BLUE RIBBON) TO CONDUCT AN INQUIRY, IN AID OF LEGISLATION, ON THE DELAYED ISSUANCE OF NATIONAL IDENTIFICATION CARDS

WHEREAS, on 6 August 2018, Republic Act No. 11055, also known as the "Philippine Identification System Act" was signed into law by former President Rodrigo Duterte, with a declared policy to establish a single national identification system referred to as the "Philippine Identification System" or the "PhilSys";

6

WHEREAS, according to Section 3 of Republic Act No. 11055,
the PhilSys was established primarily to provide a valid proof of identity
for all citizens and resident aliens as a means of simplifying public and
private transactions;

11

WHEREAS, under a memorandum of agreement with the Philippine Statistics Authority (PSA), which manages the Philippine Identification System (PhilSys) database, the Bangko Sentral ng Pilipinas (BSP) was mandated to produce and deliver 116 million pre-personalized IDs from 2021 to 2023. But as of end of 2021, the Commission on Audit noted that the BSP delivered only 27,356,750 pre-personalized cards or 76 percent of the 36 million required number of IDs for 2021. Previously,

in 2020 and 2021, the BSP delivered only 8,764,556 personalized cards or 17.53 percent of the 50 million required number of IDs for those years¹;

WHEREAS, apart from the delay in meeting the quota for the 4 number of ID cards to be accomplished, there have been complaints about inaccuracy of personal information and blurry images on the cards. In 6 some cases, the IDs are no longer readable after about three months²; 7

5

WHEREAS, people who registered for the national ID will have to wait around four months before receiving their PhilSys number³;

10 11

WHEREAS, even the usefulness of the ID is in question, as some 12 financial institutions refused to recognize the national ID because it lacks 13 the holder's signature⁴; 14

15

WHEREAS, given the unreasonably prolonged delivery. 16 questionable usefulness, and substandard quality of the national IDs, 17 there is already cause to believe that there is malfeasance, misfeasance, 18 or nonfeasance on the part of the leadership in the PSA, the BSP, and 19 other relevant agencies in fulfilling its mandate under Republic Act No. 20 11055: 21

22

NOW, THEREFORE, BE IT RESOLVED as it is hereby 23 resolved, to direct the Senate Committee on Accountability of Public 24 Officers and Investigations (Blue Ribbon) to conduct an inquiry, in aid of 25 legislation, on the long delayed issuance of the national identification 26 cards, with the end in view of identifying accountability for malfeasance, 27 misfeasance, or nonfeasance, if any, on the part of the leadership in the 28
