EXPLANATORY NOTE

Consistent with the promotion and enhancement of local financial autonomy, this bill seeks to amend Section 290 and 291 of Republic Act 7160, otherwise known as the Local Government Code.

As proposed, the share of the local government units is increased to sixty percent (60%) of the gross collection derived by the national government in the preceding fiscal year from mining taxes, royalties, forestry and fishery charges, and such other taxes, fees, or charges, including related surcharges, interests, or fines, and from its share in any co-production, joint venture or production sharing agreement in the utilization and development of the national wealth within their territorial jurisdiction.

Under this legislative proposal, the share of the local governments units from the use of national wealth, and from any government agency or -owned and -controlled corporation shall be remitted to them within ten (10) days after the end of every quarter during the current fiscal year.

This is just one of the measures that seeks to broaden the local fiscal resource generation. Hence, the approval of this bill is earnestly requested.
