

NINETEENTH CONGRESS OF THE )  
REPUBLIC OF THE PHILIPPINES )  
Second Regular Session )

23 JUL 12 A9:33

SENATE  
PS. Res. No. 673

RECEIVED BY: \_\_\_\_\_

---

Introduced by **Senator Manuel "Lito" M. Lapid**

---

**RESOLUTION**

**CONGRATULATING AND COMMENDING THE PHILIPPINE SCIENCE HIGH SCHOOL TEAM FOR BAGGING THE SILVER AWARD AT THE SINGAPORE INTERNATIONAL STEM INNOVATION FOR THEIR INVENTION CALLED INTELLIGENT FOOD ORGANIZATION OR THE INFO MAGNETS HELD AT THE SINGAPORE INTERNATIONAL STEM INNOVATION**

**WHEREAS**, the Senate has, on several occasions, recognized and commended outstanding Filipinos for their accomplishments that have brought honor, pride, and glory to our country by garnering prestigious awards;

**WHEREAS**, a team of student innovators from the Philippine Science High School Main Campus bagged the silver award at the Singapore International STEM Innovation event for developing a device called Intelligent Food Organizers, or INFO Magnets;

**WHEREAS**, the team designed INFO Magnets to serve as an indicator to know the freshness of food. They created a color-coded system where a green light signifies freshness, an orange light signals the need for immediate consumption, and a red light indicates that the food is no longer suitable for consumption;

**WHEREAS**, these students conceptualized this product with the motivation to address the urgent problem of food wastage. They were spurred by data from the Food and Agriculture Organization in the United States, revealing that approximately 17% of the world's total food production is wasted, with households contributing to 11% of such waste;

**WHEREAS**, the innovation of these students, which aimed to combat food wastage, deserves our recognition and commendation. Their remarkable achievement serves as a testament to the fact that Filipinos have the capability and determination to excel in any chosen field and leave a lasting impact on the global stage;

**NOW, THEREFORE, BE IT RESOLVED**, for the Senate of the Philippines to congratulate and commend the team of students from the Philippine Science High School Main Campus for bagging the silver award for their invention called intelligent food organization or the INFO magnets held at the Singapore International STEM Innovation.

*Adopted,*

  
**MANUEL "LITO" M. LAPID**  
*Senator*
