SENATE

S. B. No. 838

Introduced by **Senator Biazon**

EXPLANATORY NOTE

To carry out the policy of the State to safeguard the well being of its citizenry particularly the youth, from the harmful effects of dangerous drugs, Sec. 2 of RA 9165, otherwise known as the Comprehensive Dangerous Drugs Act of 2002, provides that *"...the State needs to enhance further the efficacy of the law against dangerous drugs, it being one of today's more serious social ills. Towards this end, the government shall pursue an intensive and unrelenting campaign against the trafficking and use of dangerous drugs and other similar substances. The government shall however aim to achieve a balance in the national drug control program so that people with legitimate medical needs are not prevented from being treated with adequate amounts of appropriate medications, which include the use of dangerous drugs"*.

A strategic development is that drug trafficking has been considered a non-traditional defense and security threat in the region by many countries.

It has been almost five (5) years since the enactment of Republic Act No. 9165. Due to re-enacted annual General Appropriation Acts during 2003-2006, PDEA has been unable to develop its capabilities as required by RA 9165: PDEA is still an organization with few organic personnel, as most of PDEA's personnel are on detail status from the PNP and other agencies, and their detail will end in July 2007; PDEA is able to establish only one Forensic Laboratory in its Headquarters in Quezon City, although the law require it to establish one forensic laboratory in each provincial PNP office. There is still no established permanent location for the PDEA Academy. Furthermore, experience tells us that there is need to introduce amendments to Sections 3(h), 3(j), 3(r), 4, 8, 11, 20, 21, 22, 26, 30, 33, 78, 79, 80, 82, 84(m), 84(o), 85, 86, 87, 93, 101, and ARTICLE VIII including Sections 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 72, 73, 74, 75, and 76 as well as to introduce additional Sections 3(ll), 3(mm), 3(nn), 3(oo), 3(pp), and 3(qq), 11-A, 12-A, and 84(s) for reasons stated accordingly as follows:

In view of the foregoing, early passage of this bill is earnestly requested.

RODOLFO G. BIAZON
