

FOURTEENTH CONGRESS OF THE
REPUBLIC OF THE PHILIPPINES
First Regular Session

7 JUL -4 2010

SENATE

RECEIVED BY: Senate Bill No. 962

INTRODUCED BY HON. MANNY VILLAR

EXPLANATORY NOTE

The Constitution, Article 14, Section 1, provides that the State shall protect and promote the right of all citizens to quality education at all levels and shall take appropriate steps to make such education accessible to all.

In order to prepare our nation's youth for the challenges of the future, as well as to keep our nation competitive in a global economy, every elementary, secondary, and tertiary school in the Philippines should be equipped with the best and most up-to-date library resources, certified library media specialists, access to advanced technology, and instruction on the use of library and information resources;

To comply with the constitutional mandate and to meet the challenges in education, this bill proposes to: (1) establish, within each of the Bureaus of Elementary Education, Secondary Education and Higher Education, a Division of School Library Media Services, that will provide information and leadership to school library media programs and personnel nationwide; (2) provide continued funding for public elementary, secondary, and tertiary school library media program improvement, equity, innovation, and technological advancement; (3) establish a partnership program for elementary, secondary, and tertiary school teachers and school library media specialists, who will jointly design resource and curriculum-based instructional activities, that provide opportunities for students to access a broad diversity of resources and information, and other languages and cultures, including materials that will encourage understanding; and (4) establish a partnership program for encouraging uses of technology and the sharing of information and access to resources by elementary and secondary school students, school library media specialists, and teachers.
