SENATE

RECEIVED BY

Senate Bill No. 997

INTRODUCED BY SEN. MANNY VILLAR

EXPLANATORY NOTE

Fire fighting is known as one of the most dangerous professions. Firefighters working on behalf of the people of the Philippines are called upon to take extraordinary risks every day in order to protect the public from the dangers posed by fires and other life-threatening situations. Many firefighters have given their lives in the performance of their duties.

Given the enormous commitment which the firefighters in the country have demonstrated repeatedly, it is appropriate to proclaim a memorial day to commemorate those firefighters who have fallen in the line of duty. This day will provide an opportunity for all to honour and recognize the important contribution these people made to preserving our safety and well-being.
