

14th CONGRESS OF THE)
REPUBLIC OF THE PHILIPPINES)
1st REGULAR SESSION)

7 JUL -4 P5 104

SENATE BILL No. 1152

RECEIVED BY: 

Introduced by Senator Aquilino Q. Pimentel, Jr.

Explanatory Note

The National Library is a service-oriented institution being funded by the Philippine government. It has various collections ranging from reference to Filipiniana materials that include rare books, historical documents and books authored by Filipinos. The rare books collection is considered one of the national treasures of our land.

More than anything else, these books represent the rich cultural heritage of the Filipino nation. These books identify us to the rest of the world.

A close scrutiny of Republic Act 3873 entitled "An Act Changing the Name of the Bureau of Public Libraries to the National Library", however reveals that it does not identify the National Library with the Philippines.

"National Library" is no longer sufficient and even misleading, especially when it is used in international conferences and gatherings of librarians from all over the world. There must be an identifying element in its name that would make it distinctively Filipino, as compared to the National Libraries of other countries. Hence, this proposed legislation.

In view thereof, immediate passage of this bill is earnestly requested.
