OF THE PHILIPPINES)
First Regular Session)

7 JUL 24 2019

SENATE
S. B. No. 1347

RECEIVED BY: 

Introduced by Senator Miriam Defensor Santiago

EXPLANATORY NOTE

Republic Act No. 7160, also known as the Local Government Code, Section 469 thereof provides that "There shall be a Secretary to the *Sanggunian* who shall be career official with the rank and salary equal to a head of department or office. The Civil Service Commission, in Resolution No. 92-1111 dated 20 August 1992, interpreted the aforesaid provision to mean that a Secretary to the *Sanggunian*, whether of a municipality, city or province, is not a department head but only occupies a position "equal to a head of department or office."

It is believed that the Secretary to the *Sanggunian* is the head of the office of the *Sanggunian*, as a separate department of the local government, the Vice-Governor or Vice-Mayor being the second highest-ranking officer of the entire local government after the Governor or Mayor as the case may be. To consider the Vice-Governor or Vice-Mayor as a department head is tantamount to denoting him in rank and stature as he is assigned a salary grade higher than that given a local government department head and is the acknowledged assistant chief executive of his local government unit.

The relegation of the position of a Secretary to the *Sanggunian* to a level other than that of a department head when all his qualifications, powers, and functions relate to a department head lowers his morale as it constitutes a virtual source of discrimination. This bill restitutes the position of Secretary to the *Sanggunian* to local government department head.*

MIRIAM DEFENSOR SANTIAGO
