 OF THE PHILIPPINES)

SENATE
 S. B. No. 1353

RECEIVED BY: 

Introduced by Senator Miriam Defensor Santiago

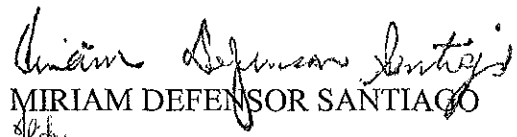

EXPLANATORY NOTE

Under Executive Order no. 209, also known as the Family Code, Articles 37 and 38, incestuous marriages are void *ab initio* for being contrary to public policy.

Act No. 3135, as amended, also known as the Revised Penal Code, Article 335 par.7 no.1 impose the death penalty for rape when the victim is under eighteen (18) years of age and the offender is a parent, ascendant, step-parent, guardian, relative by consanguinity or affinity within the third civil degree, or the common-law spouse of the parent of the victim.”

However, under the abovementioned circumstances there is no law which penalizes incestuous relations between consenting parties eighteen (18) year of age and above.

This bill criminalizes such sexual relation because they are contrary to public policy and public morals. It also responds to reports of rising incest statistics among families of overseas contract workers.*
