Explanatory Note

This legislative measure seeks to abolish the Presidential Commission on Good Government (PCGG) created under Executive Order No. 1 issued by former President Corazon C. Aquino on February 28, 1986.

Twenty (20) years after its creation, PCGG has not produced significant accomplishments that would justify its continued existence.

Furthermore, all sequestered real and personal assets and properties previously under the control and management of the PCGG, as well as all contracts, records and documents relating to the operation of the PCGG are transferred to the Privatization Office.

PCGG officials and employees who shall be separated from the service as a result of the abolition of the PCGG whether permanent, contractual or casual, shall be given gratuities equivalent to two (2) months salary for every year of service without prejudice to other benefits to which they are entitled under existing laws and regulations.

In view of the foregoing, the passage of this bill is earnestly requested.
