

FOURTEENTH CONGRESS OF THE REPUBLIC)
OF THE PHILIPPINES)
First Regular Session)

SENATE
S. No. 1727

[Handwritten signature]

Introduced by Senator Miriam Defensor Santiago

EXPLANATORY NOTE

Executive Order No. 292, also known as The Administrative Code, Book IV, Title XV, Section 1, provides that "The Senate is committed to the maintenance and expansion of viable, efficient, fast, safe, and dependable transportation and communications systems as effective instruments for national recovery and economic progress."

Accordingly, traffic accidents involving public utility vehicles must be prevented.

Studies show that a person under the influence of prohibited or regulated drug or alcohol suffers from certain psychological and mental defects including paranoia, hallucinations, drowsiness and loss of consciousness. These defects make the person unfit to drive a public utility vehicle.

In the interest of public welfare and safety, there is a need to test drivers of public utility vehicles for alcohol or drug use.*
