SENATE
S. B. No. 1752

RECEIVED BY: _____

Introduced by Senator Miriam Defensor Santiago

EXPLANATORY NOTE

In the Philippines, there is no law prohibiting the manufacture or production of toy, look-alike, or imitation firearms which can be used by lawless elements in the commission of crimes against persons. Thus, the production and manufacture of such look-alike firearms contribute to the ever-increasing criminality in the country.

This bill seeks to regulate the manufacture or production of look-alike firearms unless such imitation firearms are approved by the Department of Trade and Industry.*
