The buffer zone shall provide an extra layer around the protected area (PA) in which restrictions can apply and communities can assist in repelling threats to the area. The buffer zone shall be managed according to the management plan herein provided.

SEC. 5. Definition of Terms. - The following terms are hereby defined for the purpose of this Act:
(a) "Ancestral domain" refers to all lands and natural resources occupied or possessed by indigenous cultural communities, by themselves or through their ancestors, communally or individually, in accordance with their customs and traditions since time immemorial, continuously to the present except when interrupted by war, force majeure, or displacement by force, deceit or stealth. It includes all adjacent areas generally belonging to them and which are necessary to ensure their economic, social and cultural welfare.
(b) "Biodiversity" refers to the variety of life in all its forms.
(c) "Buffer zone" refers to identified areas outside the boundaries of and immediately adjacent to the PA that need special development control in order to avoid or minimize harm to the PA.
(d) "Indigenous Cultural Communities" refers to Filipino tribes who have continuously lived as communities on communally bounded and defined land since time immemorial and have succeeded in preserving, maintaining and sharing common bonds of language, customs, traditions and other distinctive cultural traits.
(e) "National Integrated Protected Area System" refers to the classification of all designated PAs pursuant to Republic Act No. 7586 or the National Integrated Protected Areas System (NIPAS) Act of 1992, to maintain essential ecological processes and life-support systems, to protect genetic diversity, to ensure sustainable
use of resources found therein and to maintain their natural conditions to the greatest extent as possible.
(f) "Nonrenewable resources" refers to those resources found within the Aliwagwag Falls Protected Landscape and its buffer zones, the natural replenishment rate of which is either not known or takes more than twenty-five (25) years.
(g) "Protected areas (PAs)" refers to identified portions of land and water set aside by reason of their unique physical and biological significance, managed to enhance biological diversity and protected against destructive human exploitation.
(h) "Protected landscape" refers to an area of national significance which is characterized by the harmonious interaction of man and land while providing opportunities for public enjoyment through recreation and tourism within the normal lifestyle and economic activity of the area.
(i) "Nongovernment organization (NGO)" refers to any civic, development or philanthropic organization which is multi-sectoral in character.
(j) "People's organization (PO)" refers to any group of people formed to advance the interests of the sector represented, provided that such sector is marginalized, poor or disempowered.

SEC.5. Management of the PA - There shall be a PAMB which shall have sole jurisdiction, power and authority such as, but not limited to, policy-making and permit granting over the PA for all matters that may affect biodiversity conservation, protection and sustainable development. It shall be composed of:
(1)The Regional Executive Director (RED) of the DENR Region XI, as Chairman;
(2) The mayors of the towns and the Provincial Governors of the Provinces of Davao Oriental and Compostela Valley with territory inside the PA or their authorized representatives;
(3) The Regional Director of the Department of Agriculture (DA) or his authorized representative;
(4) One NGO/PO representative concerned with PA management chosen from among the three municipalities with territory inside the PA in a special election duly called by the DENR for the purpose: Provided, That the organizations are duly accredited with the municipality being represented;
(5) One representative of the owners and operators of existing facilities to be chosen by them from among themselves in an election duly called for the purpose by the DENR;
(6) The Provincial Planning and Development Officers of the Provinces of Davao Oriental and Compostela Valley, sitting as ex officio members, to be endorsed by their respective governors;
(7) One representative from each indigenous cultural community within the PA chosen through customary practices; and
(8) One representative each from the holders of TLA No. 43, TLA No. 47 and IFMA No. 28, until the expiration of such agreements unless substituted by similar agreements, in which case, the holders thereof shall also be entitled to representation in the PAMB.

Every member of the PAMB shall serve for a term of five years and shall be considered to represent his or her sector and deemed to carry the vote of such sector in all matters. In the case of members who are government officials, the term of office shall be attached to the office held.

In the selection of the representatives of POs and NGOs, preference shall be accorded to those organizations that are involved in the conservation, protection and development of the PA. Representation shall be by institution and shall aim to achieve balance in representation by geographic location or areas.

The representatives from the LGUs and national agencies in the PAMB shall include among their duty to appraise their respective constituents, office or sector, to ensure that the provisions of this Act is consistent with the Local Government Code of 1991 (R. A. No. 7160), other relevant statutes and ordinances, and local and national development plans and projects. Failure to comply with the foregoing shall subject such representative to disciplinary action as the PAMB may provide.

SEC. 6. Powers and Functions of the PAMB. - The PAMB of the Aliwagwag Falls Protected Landscape shall have the following powers and functions:
(1) Decide matters relating to planning, resource protection and general administration of the area in accordance with the GMPS;
(2) Approve proposals, work plans, action plans and guidelines for the management of the PA;
(3) Delineate and demarcate the PA boundaries and buffer zones, including ancestral domains in coordination with the National Commission on Indigenous Peoples (NCIPs);
(4) Promulgate rules and regulations to promote development programs and projects on biodiversity conservation and sustainable development;
(5) Ensure the implementation of programs in order to provide employment to the people dwelling in and around the PA;
(6) Control and regulate the construction, operation and maintenance of roads, trails, water works, sewerage, fire protection and sanitation systems and other public utilities within the PA;
(7) Monitor and evaluate the performance of PA personnel, NGOs, and communities in providing for biodiversity conservation and sociocultural and economic
development and report their assessments to the NIPAS Policy and Program Steering Committee (NPPSC) and the Integrated Protected Areas Governing Board.
(8) Accept donations, approve proposals for fundinig and budget allocations, and exercise accountability over all funds that may accrue to the Aliwagwag Falls Protected Landscape; and
(9) Retain legal counsel, either on a permanent or temporary basis, to provide legal assistance to the PAMB and the PASu staff whenever they are sued in connection with the performance of their duties under this Act.
i. The DENR Secretary shall exercise authority over the PAMB to ensure that it is acting within the scope of its powers and functions. In case of conflict between administrative orders of national application issued by the DENR pursuant to the NIPAS Act and the rules and regulations issued by the PAMB, the PAMB shall notify the DENR Secretary who shall resolve such conflict.

SEC. 7. Protected Area Superintendent (PASU) Office.. - There is hereby established a PASu's office in charge of the management, protection and administration of the PA. The PASu office shall be supported by the existing personnel of the DENR. The head of the office shall be the chief operating officer of the Aliwagwag Falls Protected Landscape or the PA and shall be accountable to the RED of the DENR-XI and the PAMB. The PASu shall have the following powers and functions:
(1) Serve as chief administrative officer of the PA for the purpose of implementing the management plan as detailed in the annual work program;
(2) Establish a productive partnership with the local community, private sector, including groups interested in the achievement of the goals and objectives of the PA, and in the planning, protection and management thereof;
(3) Develop and implement a natural history documentation program and to oversee research that may be conducted within the area;
(4) Integrate the roles of NGOs and the DENR staff in the administration and development of the area;
(5) Document the processes involved in the establishment and management of the PA, with particular reference to the development of relationships with cultural communities, tenured migrants, buffer zone residents and others for effective protection of the area;
(6) Develop and implement a park information, education and visitor program;
(7) Act as peace officer for the purpose of maintaining peace and order within the PA, and shall exercise police supervision therein and may arrest any person found in any place within the PA who is committing, has committed, or is about to commit an offense against the provisions of this Act;
(8) Enforce the rules and regulations established to protect the area and preserve the PA from trespass, damage, injury and illegal occupancy;
(9) Require, when necessary, any person entering or passing across through or any part of the PA under his jurisdiction, to give the following information: name, address, the proposed duration of stay inside the PA and the portion which he intends to visit or has visited and such other information of a similar nature as may be referred to him;
(10)Summarily remove or eject from the area, persons who have rendered themselves obnoxious by disorderly conduct or bad behavior or who have violated any of the regulations in the PA;

- (11)Require persons cutting and/or gathering forest products or hunting or fishing within the PA to produce, upon demand, authority or permit to do so;
(12)Seize and confiscate timber or other forest products, game birds, animals, and fish including instruments, tools and conveyances used inside the PA by unlicensed persons, or if licensed, in violation of PA laws, rules and regulations; and, to report them in accordance with the rules, regulations and guidelines issued by the Secretary concerning confiscation, seizure and disposition of illegally cut, gathered and transported forest products, and other natural resources, and confiscated wildlife;
(13)Enforce the laws, rules and regulations relevant to the PA and assist in the prosecution of offenses thereof;
(14)Monitor all activities within the PA for conformity with the management plan; and
(15)Perform such other powers and duties as may from time to time be prescribed by the PAMB and higher authorities.

SEC. 8. Ancestral Lands and Domains. - For the purpose of this Act, the provisions of Republic Act No. 8371, otherwise known as "The Indigenous Peoples Rights Act of 1997," shall govern over ancestral lands and domains within the PA. The provisions of this Act shall be construed liberally in favor of indigenous cultural communities and their members.

SEC. 9. Tenured Migrants and Transient Farmers. - Tenured migrants are members of households that have actually and continuously occupied certain areas withịn the Aliwagwag Falls Protected Landscape since July 1, 1987 and are substantially dependent on the PA for their livelihood. For purposes of official documentation of rights and extent of occupation in the PA, each tenured migrant household shall be issued a tenure instrument over such areas that have been occupied or cultivated since July 1, 1987. Tenured migrants may occupy and use the area specified in the instrument for a term of twenty-five (25) years renewable for the same period. The holder of the instrument upon the lapse of this period may negotiate
for a new instrument and his occupancy shall be evaluated by the PAMB for purposes of such renewal.

In the case of qualified tenured migrants who currently occupy areas that shall be designated as zones where no occupation or other activities are allowed, a provision for their transfer to multiple-use zones within the PAl or to the buffer zone shall be accomplished using humanitarian considerations.

- Persons who have been cultivating land within the PA since July 1, 1987 are considered to be occupying such lands and shall be entitled to a tenure instrument restricted to cultivation: Provided, That this right can only be transferred to direct descendants and that said tenure instruments shall not be divisible to numerous heirs.

Tenured migrant instruments may be cancelled for violation of the terms and conditions specified therein, upon the holder's repeated refusal to comply with the management plan or the regulation set by the PAMB, or by voluntary surrender of rights. Upon cancellation of a tenured migrant instrument, the PASu shall take immediate steps to rehabilitate the area in order to return it to its natural state prior to the cultivation or other act by the transient or tenured migrant.

SEC. 10. Contracts Over Lands. - The purchase, sale, encumbrance, mortgage, usufruct or lease of lands within the PA to persons outside the PA not otherwise qualified to hold lands therein shall be invalid unless verified and validated by the PAMB pursuant to subsisting rights to enter into such contract due to vested rights, customary practices or individual ownership prior to the establishment of the PA.

SEC. 11. Prohibited Acts. - The following shall be the prohibitions and penalties applicable to the PA:
(a) The penalties provided for in Articles 309 and 310 of the Revised Penal Code, depending on the value of the resources taken, damaged or destroyed, shall be imposed upon any person who:
(1) Hunts, destroys, traps, disturbs or possesses anywhere within the Aliwagwag Falls Protected Landscape any wild plants or animals or products derived therefrom without a permit from the PAMB: Provided, That such permits shall only be given for scientific purposes necessary for PA management;
(2) Cuts, gathers, collects or removes timber or forest products without permit, provided that such permits shall only be given for scientific purposes necessary for PA management;
(3) Possesses outside the PA any wild plants or animals or products derived therefrom which came from the PA;
(4) Explores or extracts, drills or engages in prospecting for minerals within the Aliwagwag Falls Protected Landscape;
(5) Constructs or maintains any kind of road, structure, fence or enclosure without a permit from the PAMB: Provided, That structures within ancestral domains used by indigenous cultural communities shall not need a permit from the PAMB; and
(6) Alters, mutilates, excavates, removes, destroys or defaces boundary marks or signs, natural formations, burial grounds, religious sites, artifacts, objects belonging to indigenous cultural communities and other objects of natural and scenic value or affixing marks or signs on trees.
(b) A fine of not less that One hundred thousand pesos ( $\mathrm{P} 100,000.00$ ) nor more than Five hundred thousand pesos (P500,000.00) and/or imprisonment of not less than one year and not more than five years shall be imposed upon:
(1) Any person or persons responsible for grazing and or causing livestock to be grazed or raising poultry within the PA without permit from the PAMB; and
(2) Any public officer or officer of the law who, in dereliction of the duties of his office, shall maliciously refrain from instituting prosecution for the punishment of violators of the law, or shall tolerate the commission of offenses. Conviction of this offense shall also carry the penalty of perpetual disqualification from public office.

A person who induces another or conspires to commit any of the acts in this section or suffer his workers to commit any of such acts shall be liable in the same manner as the one actually performing the act.

All activities contained in the management plan and such other measures as are necessary for protection, preservation and PA management as certified by the PAMB and the DENR Secretary and undertaken by the PASu or those deputized by the PAMB shall not be covered by the above. The certified customs and traditional practices of the indigenous cultural communities are also allowable activities over which the above prohibitions shall not apply.
(c) A fine of not less than One thousand pesos (P1,000.00) but not more than One hundred thousand pesos ( $\mathrm{P} 100,000.00$ ) and/or imprisonment of not less than one year nor more than five years and the restoration and rehabilitation of the damage shall be imposed upon any person who commits any of the following acts:
(1) Violating any rules and regulations in the management plan or agreements reached before the PAMB in the exercise of its adjudicative functions;
$\therefore$ (2) Dumping, burning, or disposing of any waste products, vegetation or materials within the PA to the detriment of the inhabitants, plants or animals therein;
(3) Using motorized equipment without a permit except motorized vehicles in areas where the national highway, provincial road or other public thoroughfare traverse the park: Provided, That such thoroughfares were legally constructed;
(4) Occupying any portion of land inside the Aliwagwag Falls Protected Landscape without a permit from the PAMB: Provided, That occupation shall be of such nature as to last more than ten (10) days in a particular portion of the PA; and
(5) Entering the PA without a permit from the PAMB.

Valuation of the damage shall take into account biodiversity and conservation considerations as well as aesthetic and scenic value. The commission of these acts likewise carries the penalty of eviction from the PA and the forfeiture of all transportation, structures and building materials, equipment, devices, weapons used for the commission of the offense, as well as the PA resources caught in the possession of the accused.

The LGU responsible for the imposition of the penalties herein and the arrest and confiscation of the materials shall have a fifty percent (50\%) share in the disposition thereof while the rest shall accrue to the PAMB.

SEC. 12. Special Prosecutor and Retained Counsel. - Within thirty (30) days from the effectivity of this Act, the Department of Justice (DOJ) shall appoint a special prosecutor to whom all cases of violation of laws, rules and regulations in the PA shall be assigned. Such Special Prosecutor shall coordinate with the PAMB and the PASu in the performance of his/her duties and assist in the training of wardens and rangers in arrest and criminal procedures. The PAMB may retain the services of a counsel to prosecute and/or assist in the prosecution of cases under the direct control and supervision of the regular or special prosecutor and to defend the members of the PAMB, the PASu and the staff, or any person assisting in the protection, conservation and sustainable development of the PA, against any legal action related to their powers, functions and responsibilities as provided in this Act or as delegated or tasked by the PAMB.

SEC. 13. Aliwagwag Falls Protected Areas Fund. - There is hereby established a trust fund to be known as the Aliwagwag Falls Protected Areas Fund for purposes of financing projects of the system.
