S. NO. 2133

Introduced by Senator Antonio "Sonny" F. Trillanes IV

EXPLANATORY NOTE

This bill seeks to fix the retirement age for the officers and enlisted personnel of the Armed Forces of the Philippines (AFP) and members of the Philippine National Police (PNP) to sixty-five (65) years old.

Presidential Decree (P.D.) No. 1638, as amended by P.D. No. 1650 entitled "Establishing a New System of Retirement and Separation for Military Personnel of the Armed Forces of the Philippines and For Other Purposes" and Republic Act No. 6975 also known as the "Department of Interior and Local Government Act of 1990" provide that the retirement age for military personnel and members of the PNP is fifty-six years. This present retirement system sets them apart from civilian government employees who are compulsorily retired at age sixty-five.

However, unlike other government employees, these military and police personnel are trained and educated by the government. At age 56, they are at the prime of their life and are still very much capable of rendering their expertise and skill in the interest of the service. Their employment until age sixty-five will optimize the utilization of their experience, leadership and professional competence.

Also, retiring at such an early age deprives the officers of the equal opportunity for promotion to a higher rank and position. An extension of another nine (9) years of service will definitely redound to the benefit of the AFP and the PNP.

Hence, the approval of this bill is earnestly sought.
