#### EXPLANATORY NOTE

Section 2 of Republic Act 6636, amending Executive Order 270, provides that "The City of Pasay and the municipalities of Makati, Parañaque, Pasig, Marikina and Valenzuela, each of which comprises a representative district, shall have twelve (12) councilors each to be elected at large by the qualified voters of the said city or municipality." When Republic Act 7166 was enacted, the municipality of Valenzuela was divided into two (2) legislative districts. Pursuant to this division, each legislative district was allowed to elect six (6) councilors.

By virtue of Republic Act 8526, the Municipality of Valenzuela was converted into a Highly Urbanized City. Almost a decade has passed and the City of Valenzuela has immensely developed, posting an estimated income of P1.6 billion and a projected population of 636,608 in 2007. However, since its Charter was enacted in 1998, Valenzuela City still continues to have the same number of six (6) councilors for each of its two (2) legislative districts.

This bill proposes that the number of councilors per district of Valenzuela City be increased to eight (8) in order for the city's *Sangguniang Panglungsod* to be more responsive to the needs and concerns of its people, be attuned to the developments in their locality and be active in the pursuit of the legislative agenda of the city government.

In view of the foregoing, the passage of this bill is earnestly sought.
