EXPLANATORY NOTE

Modern heroes are what we call them. Overseas Filipino Workers, whose hard-earned dollars are responsible for buoying up our economy to levels that have allowed us to achieve growth as a nation, and industrialization along with modernization as a country.

It is with great pleasure, honor and urgency that the passage of this legislation is earnestly sought as this will allow the Overseas Filipino Workers to feel the rewards of their hard work, and reap the benefits, which, once upon a time, during the prime of their lives, they strived hard to achieve.

For this reason, assistance in the form of discounts in establishments, medical assistance, enjoyment of benefits granted by the respective social service systems, even housing programs, shall be extended to them, all matters of expressing our debt of gratitude to them, because we as a nation can only move forward if we know how to look back from where we came from.
